Verification of learning outcomes - Attitudes

Outcomes	written exam	oral exam	test	essay/paper /portfolio	tasks/ homeworks	individual presentation	group presentation	classroom activities	classroom discussion	individual project	group project
E1_K01								X	X		
E1_K02											X
E1_K06									X		X

Course contents

The overall 30h will be delivered by several visiting professors in the mix of online and on-site meetings. The full topic content will be completed by Feb. 28th (subject to confirmation of our guest lecturers).

The idea is to present interesting economic problems, so the scope will be broad but the main theme is how the modern economy works, why it works that way, and what can be done to improve it.
